

Dutch band Trinity to visit Southampton

Internationally acclaimed Dutch band Trinity will be making their first appearance in Southampton on 23rd November 2019 at Colbury Memorial Hall SO40 7EL

They draw large audiences in their home country, and have toured USA, Europe, Africa and the far east. They have chosen Eastbourne (22/11) and Southampton (23/11) to launch their Christmas tour before taking it to Belgium (24/11) and then a seven venue tour of Holland - 2 venues already sold out!

They are a faith based band that mixes music styles from all over the world to create a magnetic sound. From Peruvian folk to African rhythms, they blend genres into an eclectic music experience that is sweet to the ears and uplifting to the soul.

So come and join us to experience a Trinity concert – as they say on their website *“We are Trinity and we like traveling and meeting people. We’re proud to call ourselves craftsmen of heavenly parties and we’re experts at making people’s feet move. Not with huge beats and technology but with an unique acoustic approach that will disarm and free any crowd”*.
